DETAILED ACTION

Response to Amendment

1. Applicant's response to the last Office Action, filed 08/30/2007, has been entered and made of record.
2. Applicant has amended claim 7-10. Claim 6 has been canceled. Claims 1-5 and 7-10 are currently pending.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: The Applicant amended objected claim 7 to include all elements of the rejected claim 6 upon which it was dependent as per the Examiner's suggestion thus placing it in condition for allowance. Additionally the Applicant has amended claims 8-10 to depend on the now allowable claim 7 thus placing them in condition for allowance. An updated search has not found any other viable pieces of prior art and therefore finds the Application in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
